

Post-Secondary Bursaries

Up to five bursaries of \$1,000 each, will be awarded annually to qualifying applicants.

The bursary can be used for any post-secondary educational program of four months or longer. Non-agricultural programs of studies will also be considered.

Applicants must have lived on a farm in the Rocky Mountain House or David Thompson High School area for at least one year.

Preference will be given to applicants who participate in farm and home operations, and who explain how farming has impacted them.

Academic standing will be considered but will not be the only criteria.

Community volunteering, which is work without payment, is important to this bursary. Applicants are required to list their volunteer activities.

If there are more than five qualifying applicants, consideration will be given to applicants whose family members are or have been active members of the Rocky Mountain House Agricultural Society; who are enrolled in agriculture-related programs; or who are entering the final year of their program of studies.

A bursary will only be awarded to an individual once.

Application forms are available on the following websites: **Rocky Mountain House Agricultural Society; Clearwater County Agricultural Services, West Central High School, St. Dominic Catholic High School, David Thompson High School.**

Rocky Learning Centre, Visions West, Red Deer Polytech, and Olds College have links to the application form on Rocky Mountain House Agricultural Society website.

Applications must be submitted by June 30 to: niels_ellen@teluslanet.net.

or mailed to:

Rocky Mountain House Agricultural Society
Box 1021
Rocky Mountain House, AB
T4T 1A7
